Mr. J. E. Curry Chief of Police

Sirt

On November 22, 1963 at approximately 1:12 PM, while working squad 105, Officers Joe E. Poe #1175 and L. E. Jer #1479 were working aroud control at the scene of the surder of President Memedy, Elm and Houston Streets. The officers heard a police officer was involved in a shooting at 400 E. 10th.

The officers went to the scene, Code 3, at 400 block L. Fenth St. where we found scuad car #10 parked at the south curb and a pool of blood at the left front fender.

We were met by a white female who identified herself as Helen Marmalle, 32 E. 9th Street, who stated she witnessed the shooting of the officer. When she went to his aid the suspect threatened to hill her and she ram. She identified the subject as a white male about 25 years old, 5'10", slender build, bushy hair, wearing a brown isched.

An unidentified witness gave Officer J. M. Poe two empty hulls in an empty cigerette pack and stated these were the bullest hist killed the officer, and that the suspect releaded the gun as he ran across the church laum. These two hulls were releaded to Sergeant Pete Barnes of the Crime Scene Search Section while at the scene.

There were approximately six to eight witnesses, all telling officers that the subject was running west in the alley between Tenth and Jefferson Streets.

Respectfu'ly submitted,
